

INCLUSIONARY HOUSING

Come and Learn About the Proposed Citywide Inclusionary Housing Policy

For the past several months, the City has held various public stakeholder meetings to discuss the possibility of creating a Citywide Inclusionary Housing Policy.

At the meetings posted below, the Housing Department staff will present the proposed policy and invite community feedback.

WHAT IS INCLUSIONARY HOUSING?

Inclusionary housing requires developers to make a percentage of housing units in new residential developments available to low- and moderate-income households. Inclusionary Housing expands the supply of affordable housing throughout all areas of the city, broadening opportunities and encouraging mixed-income communities. Affordable housing helps people live and work close to home.
